

Midwest Report

Ensuring radio amateurs in the Midwest are informed!

February 2009

The newsletter is a few days late this month largely due to me being away for a good portion of the last few weeks. There are a few things to report on this month.

MOOSE JAW FLEA MARKET

I will be in Moose Jaw to have a RAC booth/table set up at the Flea market on April 4th at the Western Development Museum in Moose Jaw. The event gets underway at 9AM. Hope to see you there!

RAC BOARD APPOINTS NEW PRESIDENT / VPFS

David Goodwin, VO1AU has resigned as RAC president this month due to both professional and family issues and as such, the board has appointed Bob Cooke, VE3BDB to fill the remainder of the term, which ends at the end of 2009. Bob has been RAC's Vice President of Field Services and progression to the position of president will be a natural progression.

As a result of the vacancy then created for Vice-President of Field Services, Sue Cooke, VE3SUH was appointed to fill the remainder of the term.
